

APPENDIX C

Human Health Research Expression of Interest

This Expression of Interest (“EOI”) is to be completed by researchers proposing to conduct research in Miwatj Communities and emailed to research@miwatj.com.au.

To be considered by the Miwatj Health Board, EOIs and Project Plans should align with the Research Governance Charter.

Researcher and Research Institution Details	
Project Title:	
Research Institution(s):	
Research Institution(s) Representative(s):	
Phone number:	
Email:	
Postal address:	
Lead Investigator: (include experience, qualifications and any current courses)	
Publications: (list three most recent / relevant from any team member)	
Phone number:	
Email:	
Postal address:	
Researchers (other): (include experience, qualifications and Research Institutions)	
Previous research projects with Miwatj Health:	
Other research project applications in the Miwatj region:	
Miwatj Health Division to be engaged	<input type="checkbox"/> Clinical Services <input type="checkbox"/> Programs <input type="checkbox"/> Medical Services <input type="checkbox"/> NDIS <input type="checkbox"/> Public Health <input type="checkbox"/> People & Strategy
Are you Miwatj Health personnel? (if yes, will the research form part of Miwatj Health activities or be for another purpose?)	

Strategic Goals
How does the research project align with Miwatj Health’s values and strategic goals?

Project Details and Project Synopsis
Proposed research question:
Research rationale
Miwatj Communities to be engaged (<i>including any planned Indigenous Lead Researchers and Community Representative – and planned remuneration</i>)
Indicative timeframes for research and key milestones
Ethical considerations and clearances
Miwatj Health resources required (<i>including data, clinic files, access to personnel, facilities</i>)
Plans for project funding
Plans for data collection (<i>including any privacy considerations and legal compliance – see RES 104: Privacy Guidelines for more detail</i>)

Plans for presentation of results
